SUMMARY

I graduated with a Bachelor's in Computer Science Engineering in 2023 and have 6 months of experience as a **software developer**. I have hands-on experience with React, Java, and SQL, and basic knowledge of Python. My professional experience has fueled my passion for enhancing my skills and applying them in real-world settings. I am eager to join a dynamic team where I can contribute, learn, and grow professionally

EDUCATION

Bachelor of Science in Computer Science Engineering   **Aug 2019 - Aug 2023**

St.Thomas Institute for Science and Technology

- Empowering innovation with cutting-edge technology and a strong foundation in computer science

WORK EXPERIENCE

MashupStack   **July 2024- Dec 2024**
  Java Full Stack Developer

Pivot Systems I Module 14, Nila Building, Technopark Complex   **Nov 2023- June 2024**
  software developer trainee

- Working as a JS developer, Hybrid application development and 3Dsimulation designs

PROJECT

Taste it out Recipe

- Developed a recipe management system using **React** and **Spring Boot** with authentication and authorization, allowing users to create, edit, and view recipes securely.

G-Medicine Shop

- A web application using **React** and **Spring Boot** to manage medicine inventory. Users can view medicine availability, while shop owners can add, edit, and remove medicines from the database.

College Bus Tracking System

- As part of our **minor project**, our **team developed** an **Android app** for real-time tracking of college buses using location sharing. This project showcased our skills in mobile app development.

Plant Leaf Disease Detection System

- The Plant Leaf Disease Detection System, **Our team** built with the **VGG19** model, highlights AI's role in improving agriculture. This project reflects the team's expertise in deep learning for crop management.

ADDITIONAL INFORMATION

- **Skills:** HTML,CSS,JavaScript,Boostrap,React,Java,Python,MySql,Spring Boot
- **Languages:** English, Malayalam, Tamil
- **Certifications: Java Full Stack developer**
- **Reference:** presented project paper at the national conference conducted by The Institution of Engineers India(IEI)
